

Start  
HERE!

1. Create two contrasting patterns.
2. Fill the first cell with your first pattern.
3. Follow the arrows to fill the next cell, according to the rules:
 

**Triangular:**  
Fill the next cell  
with the **SAME** pattern.

**Circular:**  
Fill the next cell  
with the **OTHER** pattern.
4. Continue filling the cells and following the arrows.

5. Share your results! #HamiltonianCard
